#### Dev Academy

Jun 2024 - Oct 2024, Wellington

Learned: Fullstack, Test Driven Development, Front end Routing, Internal and External APIs, Authentication with Auth0, Forms, and Teamwork related skills. Like Pair programming, Agile/Scrum project structures.

#### NCEA Level 1 & 2

Jan 2018 - Dec 2022 Kapiti College, Paraparaumu, Wellington

Studied at Kapiti College for 4 years, completing NCEA Level 1 & 2. Doing Digital Technologies, Technology, Psychology, Design and Visual Communication, Design and Photography, and finally the core subjects. English, Science, Maths, and Physical Education.

#### Limited Service Volunteer

Oct 2023 - Dec 2023 Trentham, Wellington

6 weeks of pursuing a betterment of self, whilst being put in scenarios where communication, teamwork, and the ability to overcome differences. Under the care of the military and Work and Income New Zealand, with the goal to ready people in stagnant or difficult situations to improve themselves to be work ready once those weeks are over.

In this course we also learned First Aid Training, and were taught how to CPR by the Red Cross.

## Experience

---

### Dev Academy/ Full-Stack Developer

MONTH 2024 - PRESENT, Wellington

Here in Dev Academy, I was taught how to do and not in order: Fullstack, Test Driven Development, Front end Routing, Internal and External APIs, Authentication with Auth0, Forms, and Teamwork related skills. Like Pair programming, Agile/Scrum project structures, and clearer communication.

Here is a [Product Demo \(TagHunter Mako/Kotare-24\)](#) we made at the tail end of the course.
